

# SUMMER SIPS LIST

Check our limited edition hot-for-summer cocktails, inspired by legendary female artists who've helped shape our music ethos of old school hip-hop, funk and soul.

## THE DOO WOP 8.5

*Tanqueray gin, Maraschino liqueur, Morello cherry, lemon juice and vanilla bitters.*

Named after living legend Lauryn Hill's first solo hit and a riff on a PDT classic, the 'Cherry Pop'. Created especially for Soho Music Month.

## SLAVE TO THE CITRUS 8.5

*Aperol, Ketel One Oranje vodka, lemon juice, chilled Earl Grey tea, peach & orange bitters and ginger ale.*

Bold, refreshingly cool and highly likely to get you dancing like a *Slave To The Rhythm*. Basically Grace Jones in a glass.

## FOXY PINK 8.5

*Lanique rose petal-infused liqueur, El Jimador Blanco tequila, Sauvignon Blanc, peach bitters and soda.*

Inspired by *Brooklyn's Don Diva*, this one looks sweet but is surprisingly sassy (just like Ms. Foxy Brown herself).
